

OIG Diversified Income Portfolio

November 2021

INVESTMENT OBJECTIVE

The OIG Diversified Income Portfolio's strategy is to offer investors a long-term total return while simultaneously making provision for regular withdrawals.

INVESTMENT POLICY

In order to achieve its objective, the investments normally to be included in the portfolio may comprise a combination of assets in liquid form, money market instruments, interest bearing instruments, bonds, debentures, corporate debt, equity securities, property securities, preference shares, convertible equities and non-equity securities. The Manager may invest in participatory interests or any other form of participation in portfolios of collective investment schemes or other similar collective investment schemes as the Act may allow from time to time, and which are consistent with the portfolio's investment policy. The portfolio may from time to time invest in listed and unlisted financial instruments, in accordance with the provisions of the Act, and the regulations thereto, as amended from time to time, in order to achieve the portfolio's investment objective. The manager may also include forward currency, interest rate and exchange rate swap transactions for efficient portfolio management purposes.

The manager shall have maximum flexibility in terms of asset allocation and shall not be precluded from continually varying the ratio of securities, non-equity securities and assets in liquid form.

RISK DISCLOSURE

This portfolio has a balanced exposure to various asset classes. It has more equity exposure than a low risk portfolio but less than a high-risk portfolio. In turn the expected volatility is higher than a low risk portfolio, but less than a high-risk portfolio. The probability of losses is higher than that of a low risk portfolio, but less than a high-risk portfolio and moderate long term investment returns are expected.

ADDITIONAL INFORMATION

Actual annual performance figures are available to existing investors on request.

Upon request to Optimum Investment Group, they will provide the investor with portfolio quarterly investment holdings reports.

DISCLAIMER

Collective Investment Schemes in securities and Collective Investment Schemes in retail hedge funds are generally medium to long term investments. The value of participatory interests may go up or down and past performance is not necessarily an indication of future performance. The Portfolio Manager does not guarantee the capital or the return of a portfolio. Collective Investments are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees, charges and maximum commissions is available on request. Optimum Investment Group reserves the right to close the portfolio to new investors and reopen certain portfolios from time to time in order to manage them more efficiently. Additional information, including application forms, annual or quarterly reports can be obtained from Optimum Investment Group, free of charge. Performance figures quoted for the portfolio are from Morningstar, as at the date of this factsheet for a lump sum investment, using NAV-NAV and do not take any upfront manager's charge into account. Income distributions are declared on the ex-dividend date. Actual investment performance will differ based on the initial fees charge applicable, the actual investment date, the date of reinvestment and dividend withholding tax. Investments in foreign securities may include additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information. Certain investments - including those involving futures, options, equity swaps, and other derivatives may give rise to substantial risk and might not be suitable for all investors. Although reasonable steps have been taken to ensure the validity and accuracy of the information in this document, Optimum Investment Group does not accept any responsibility for any claim, damages, loss or expense, however it arises, out of or in connection with the information in this document, whether by a client, investor or intermediary.
